**Date: June 12, 2007**

**Time: 1:53 p.m.**

**#1**

INITIAL MEDIA ADVISORY FOR INL EMERGENCY

## **Incident occurring at Idaho National Laboratory – information being gathered at Emergency Operations Center**

A facility incident is occurring at the U.S. Department of Energy's Idaho National Laboratory. The incident is at the INL Site's Reactor Technology Complex.

INL Communications is now gathering information about the incident. As soon as details can be obtained and confirmed, information will be provided to the media.

INL emergency organizations are responding to the incident. State, county and tribal officials will be notified.

INL's emergency Joint Information Center at the Engineering Research Office Building, 2525 Fremont Ave., Idaho Falls, is being activated to answer questions. Media should call (208) 526-9206, not your regular INL contacts. Employees and the public can call (208) 526-5042.
